DIREN KALECIK KARASI

(Kah-le-djic Car-ah-ser)

Founded in 1958, Diren has focused on the indigenous varietals of Turkey. The Kalecik Karasi has a lightly tannic structure with lots of juicy, fruit flavors in a round and velvety mouth. It is well balanced, with an elegant, lengthy finish. The 2014 Kalecik Karasi was chosen as "Wine of the Year" by the Sommelier Wine Awards.
