

2014 **TURASAN** ÖKÜZGÖZÜ

Öküzgözü is one of the most exciting things to come out of the new Turkish wave, so don't be put off by all the umlauts! Pronounced oh-couscous-zoo, it is a soft and plush wine, with soft tannins and exuberant levels of fruit. It's low in alcohol, and is a great choice if you're looking for an everyday wine to have with burgers or pizza, or kabobs and hummus!
