

2013 **TURASAN** ÖKÜZGÖZÜ/BOĞAZKERE

Winemakers have blended wines from different grapes together to make a better wine for centuries, and this blend from Turkey features 2 of Turkey's native grapes. Öküzgözü adds a fruity rush of energy, and Boğazkere gives the wine structure, tannin and backbone. The end result is a wine that is the best of both worlds. Only 50 cases made it to the USA, so try it today!
