

# 2013 **TURASAN** KALECIK KARASI

---

This delicious new wine comes from Turkey, where winemaking started 7,000 years ago. The grape is called Kalecik Karasi, and if you like Pinot Noir, you will probably like this as well! Not at all harsh, it is soft and full of red fruit flavors like cherry, raspberry and pomegranate. Great with roasted poultry, buy a bottle today for your Thanksgiving table.
