

2014 **TURASAN** KALECIK KARASI

If you are a lover of Pinot Noir, then give this wine a try. Kalecik Karasi is the grape, and it has a flavor profile similar to Pinot - so lots of juicy red fruits like raspberry, cherry and strawberry. Tannins are mild, and the wine has a really nice balance. Smooth, delicious, and great with a wide variety of meals. No oak, all the flavors come from the grapes! A new wine from Turkey!
