

2015 **TURASAN** KALECIK KARASI

Turasan is one of Turkey's leading wineries and is in Cappadocia, famed for hot-air ballooning and the grape Kalecik Karasi! Similar maybe to Pinot Noir, Kalecik Karasi has juicy, red-fruit driven flavors along with soft tannins. It's a great wine for that "best burger you can put together" meal, and fine enough for upscale dinners as well.
