

2015 **TURASAN** EMIR

One of the most exciting wines to come out of the Turkish wine renaissance is Turasan's Emir which dazzles us every year! Grown in volcanic tuff at high altitude (4000'), Emir is unoaked, crisp and aromatic w/ citrus oils and flowers. In the mouth it's mouthwatering, with a richer mid-palate and finish than you might expect. Great with lighter meals, or just cheese and bread.
