# CASABA RED BLEND

Founded in 1943, Yazgan is one of the oldest & largest producers in Turkey and has been run by four generations in Izmir situated in the Aegean region. Intense and bright ruby, this Bordeaux blend hints at both New & Old World styles. Abundantly aromatic and explosive on the nose with black fruits and violets, on the palate it reveals a delicious, fresh and perfect balance with green bell and black peppers along with raspberry.

Izmir, Aegean

Yazgan

ESTATE

3,000 cases
