# YAZGAN BOĞAZKERE

(Bow-ahz-keh-reh)

Founded in 1943, Yazgan is one of the oldest & largest producers in Turkey and has been run by four generations in Izmir situated in the Aegean region. The Boğazkere is known to produce full-bodied wines with dense tannins & medium acidity.

Sourced from Diyarbakir, its native province in SE Anatolia, this 2014 Boğazkere exudes sweet & sour aromas of Morello cherries, blueberries & plums. True to form, juicy & intense fruits prevail on the palate with well-managed velvety tannins and bursts of sour cherries on the finish.
