

Yazgan

2013 Casaba Red Blend

Founded in 1943, Yazgan is one of the oldest & largest producers in Turkey and has been run by four generations in Izmir situated in the Aegean region.

Intense and bright ruby, this Bordeaux blend hints at both New & Old World styles. Abundantly aromatic and explosive on the nose with black fruits and violets, on the palate it reveals a delicious, fresh and perfect balance with green bell and black peppers along with raspberry.
