

2015 CHAMLIJA

BLANC DE NOIRS

It's odd to see a French wine term on a bottle of Turkish wine, and it means white of red. Made from 100% Papaskarasi, an ancient Turkish red grape, this is a white wine made from red grapes. Whole clusters are immediately pressed so that no skin contact occurs, and a white wine is made from red grapes! High-toned, crisp and lively, it's great with cracked crab!
