

2014 PAŞAELI YAPINCAK

There's only a few wineries that work with the rare white grape Yapincak, and they're all in Turkey. Pasaeli is a winery near Izmir that uses only native yeasts and natural winemaking, making this as true an example of the variety as is available. Minerally and crisp, with Granny Smith apple and citrus flavors, it is ideal with fresh shellfish or steamed fish. Or try it with Thai takeout!
