

2015 PAŞAELI YAPINCAK

This rare grape from Turkey called Yapincak epitomizes what it is to live near the Aegean Sea. Crisp and minerally, with herbal and citrus aromas, it's a perfect wine for fresh oysters, but would also match well with trout or sole. Under 100 cases of this wine comes to the US, and most gets snapped up by the top sommeliers. As trendy as trendy gets, is Yapincak the next big thing?
