

2014 PAŞAELI KARASAKIZ "6N"

If you're looking for a wine that's "the perfect wine for BBQ", then this might be it! Made from an ancient Turkish grape called Karasakiz, the ancient vines are head-pruned and picked by hand. If you like old vine Zinfandel, you'll like this because there are similarities. Juicy, with peppery spice, it is not a shy wine with enough oomph to speak up for itself around spicy or full-flavored foods.
