

Breaking NEWS:

Chamlija Family Estate has won the prestigious **AWC Vienna 2018** competition as the **BEST NATIONAL PRODUCER OF THE YEAR** for Turkey. Chamlija was also awarded **3 stars**, which is the top title a winery can receive in the competition. This year only 20 wineries out of the 1,716 entered have won the 3 stars title and Chamlija was the only Turkish winery to receive the award. In fact Chamlija was the only *Balkan* winery awarded 3 stars. Moreover, Chamlija becomes the **first ever Turkish winery** to win **7 Gold Medals** in total in the history of AWC Vienna. All 7 Gold medals were awarded for wines made from red Bordeaux varietals or its blends. This result clearly shows that Strandja is one of the greatest terroirs for Bordeaux varietals. **Kudos to Mustafa Chamlija and the entire Chamlija team!**
